## *I Visit Jesus!*

All OLG C families are invited to share your vacation “visits” to Jesus. Send us your photos or stories of where you encounter Jesus during the summer! Do you have a special church you attend during vacation? Send us an email with a location & description or photo and we will add your story to our **“I Visit Jesus”** map in the church. We look forward to seeing where OLG C families connect with faith over the summer months!

*Email your “I Visit Jesus”  
notes, photos or postcards to:
